To Lincoln:

Route 128 to exit 28B (Trapelo Road). Trapelo Road west into Lincoln. After about 2.5 miles, you'll come to a large cement planter in the town center. Bear left onto Lincoln Road. Alternatively, from Route 2 take Bedford Road south about a mile to town center, and bear right onto Lincoln Road.

To Brooks, Codman, Paddock and Smith Fields:

Go about 1/2 mile on Lincoln Road. On the right you'll see a sign for the Lincoln Schools. Turn in. Brooks and Paddock are ahead. Smith is off to the left behind the school; turn left into the parking lot. Codman is off to the right behind the school; circle halfway around Paddock and Brooks then straight into the parking lot.

To Town Office Field:

A few hundred yards down Lincoln Road you'll see an old brick school building on the left (just past a large park). Turn left past the building to the field behind.
